# Self-willed attempt to explain some recreational inactments

Recreation and Nature Conservation – Hand in Hand?, Brno, květen 2011

# Recreation in Czech law

- **Czech Nature Conservation and Landscape Protection Act (No. 114/1992)**
- **Forest Act (No. 289/1995)**
- **clear in general, problematic in detailed view**
- **not enough clarification from ministries**
- **ANCLPCR (Board of Specialists on Recreation, Sports and Tourism) – methodology for PLA authorities**

# Designated places

# Free access to the landscape

- **§ 63 NCLP Act, to forests § 19 FA**
- **movement freedom**
- **walkers ✓ with dogs? horse-riders? bikers?**
- **§ no harm to the owner – agreement for permanent usage (applicable only to horse-riders)**

# Camping

# Conclusions

- **recommended explanations, different usage of inactments possible (e. g. in NP)**
- **different restrictions should be explainable by site conditions**
- **some law changes needed**
- **nature conservation bureaus should respect recreation as a way of ecological self-education**
